

CHAPTER 12 COUNTY GRANT PROGRAM FOR VETERANS

801—12.1(81GA,ch1185) Purpose. 2006 Iowa Acts, chapter 1185, section 34, enacts the county grant program for veterans. The general assembly appropriated a total of \$1 million to the Iowa department of veterans affairs to fund this program. The purpose and legislative intent of this grant program is to improve delivery of services by the various county commissions of veteran affairs to veterans in their respective counties.

801—12.2(81GA,ch1185) Grant amounts. The Iowa department of veterans affairs shall award grants in amounts up to a maximum of \$10,000 to each county submitting an application that is approved by the department. In order to qualify for a grant, a county must agree to expend an amount of county funds equal to the amount of the approved grant.

801—12.3(81GA,ch1185) Application procedure. Counties that wish to apply for a grant shall submit an application to the Iowa Department of Veterans Affairs, Camp Dodge, Building A6A, 7105 NW 70th Avenue, Johnston, Iowa 50131. The application shall contain the following:

12.3(1) Application summary. The application summary shall consist of a brief description of the proposed project and the signatures of a member of the board of supervisors and a member of the county veteran affairs commission.

12.3(2) Narrative. The narrative shall explain the proposed project for which the funds will be used. The narrative must address the assessment factors listed in rule 801—12.4(81GA,ch1185). The assessment factors may be addressed in any sequence that is logical for the proposed project, but all factors should be identified and addressed. Any factors that are not addressed in the application may result in a reduced opportunity for funding of the project.

12.3(3) Proposed budget. The budget for the project should be developed for fiscal year 2007. It is understood that funding for subsequent years is dependent upon future legislative appropriations.

12.3(4) Letters of intent. If the proposed project involves additional funding from other sources, letters of intent to support the project are required from those additional sources.

801—12.4(81GA,ch1185) Assessment of applications. The Iowa department of veterans affairs will make decisions on the applications based upon the following factors:

12.4(1) Need. The needs of the local veteran population that currently are not being addressed or that are not being addressed adequately are clearly identified.

12.4(2) Goals. The goals of the project are clearly outlined, and the sources of the services to be provided are clearly identified.

12.4(3) Results. A time line for the delivery of the proposed services is included. Quantitative measurements of success appropriate to the project are clearly identified and are expected to address the identified needs.

12.4(4) Innovation. The project addresses the implementation of new practices and methods for addressing the needs of the veteran community and improvement of delivery of services.

12.4(5) Accountability and project monitoring. The application demonstrates financial accountability and provides mechanisms to ensure proper evaluation of the project.

801—12.5(81GA,ch1185) Application decision. The director of the Iowa department of veterans affairs shall notify each county that submits an application of the department's decision regarding the county's application. An explanation of the reasons for the rejection of a project application and suggestions for improvement shall accompany project denials.

801—12.6(81GA,ch1185) Grant agreement. Each county that is awarded a grant will be required to enter into an agreement with the Iowa department of veterans affairs that specifies the reporting requirements. A written report shall be due to the department by August 15, 2007, and shall provide an assessment of the project, including measurable outcomes such as increased opportunities to publicize veterans' benefits, the number of outreach visits conducted to allow veterans to apply for benefits, the number of applications for benefits filed as a direct result of the project, and increased opportunities for veteran involvement in local veterans' organizations.

801—12.7(81GA,ch1185) Appeals. Applicants that are dissatisfied with the decision of the director of the Iowa department of veterans affairs may file an appeal with the Iowa commission of veterans affairs. The written appeal must be received within 15 working days of the date of the notice of decision; must be based on a contention that the process was conducted outside of statutory authority, violated state or federal law, policy or rules, did not provide adequate public notice, was altered without adequate public notice, or involved conflicts of interest by staff; and must include a request that the commission review the decision and the reasons for the appeal.

The Iowa commission of veterans affairs shall review the appeal at its next regularly scheduled meeting and shall issue a final decision.

These rules are intended to implement 2006 Iowa Acts, chapter 1185, section 34.
